

NEXT-GEN WELLNESS

ORAL-DISINTEGRATING STRIPS

Discover a revolutionary approach to wellness with **Oral-Disintegrating Strips**. Our unique delivery systems ensure rapid absorption and maximum effectiveness, providing the precise RDA of essential nutrients everyone needed in a format that fits a diverse lifestyle. From on-the-go vitamins to specialized blends, our diverse formulations cater to unique requirements, making it easier than ever to prioritize health & wellness.

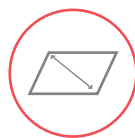

What are Oral-Disintegrating Strips?

These thin, **flexible films** are made of a polymeric matrix that dissolves rapidly on the tongue. Upon contact with saliva, the strip hydrates, disintegrates, and releases the active agent, ensuring quick absorption and action.

Characteristics:

**Edible
thin film**

**Surface area
ranges from
1-12 sq.cm**

**Thickness
of the film is
50-100 microns**

**Dissolves in
20-30 secs
on tongue**

**Delightful
mouthfeel with
a pleasant taste**

Advantages:

**Pocket Friendly
packaging**

**Can swallow
with ease**

**Faster
rapid-release
action**

**Taste reduces
patient compliance**

**No risk
of choking**

Our OTC formulations include

- **Mouth Fresheners**
Peppermint, Spearmint, Cinnamon, Ginger
